

The TriHealth Physician Hospital Organization (TPHO) is a value-driven organization committed to providing high-quality, cost-effective health services to the patients and community it serves. Being a part of the TPHO offers you:

- The *most broad and comprehensive* primary care and specialty care network in the Tristate area
- Robust, mutually beneficial payor relationships with contracts that offer enhanced rates for independent physicians.
- Seasoned expertise ready to work directly with physicians to reduce administrative tasks as needed.
- The opportunity to be on the TPHO team, leading the Greater Cincinnati market transition to value-based care.

The region's most convenient access to care, with 75% of the area population within a 10-minute drive time of a TPHO primary care site.

6 Hospitals

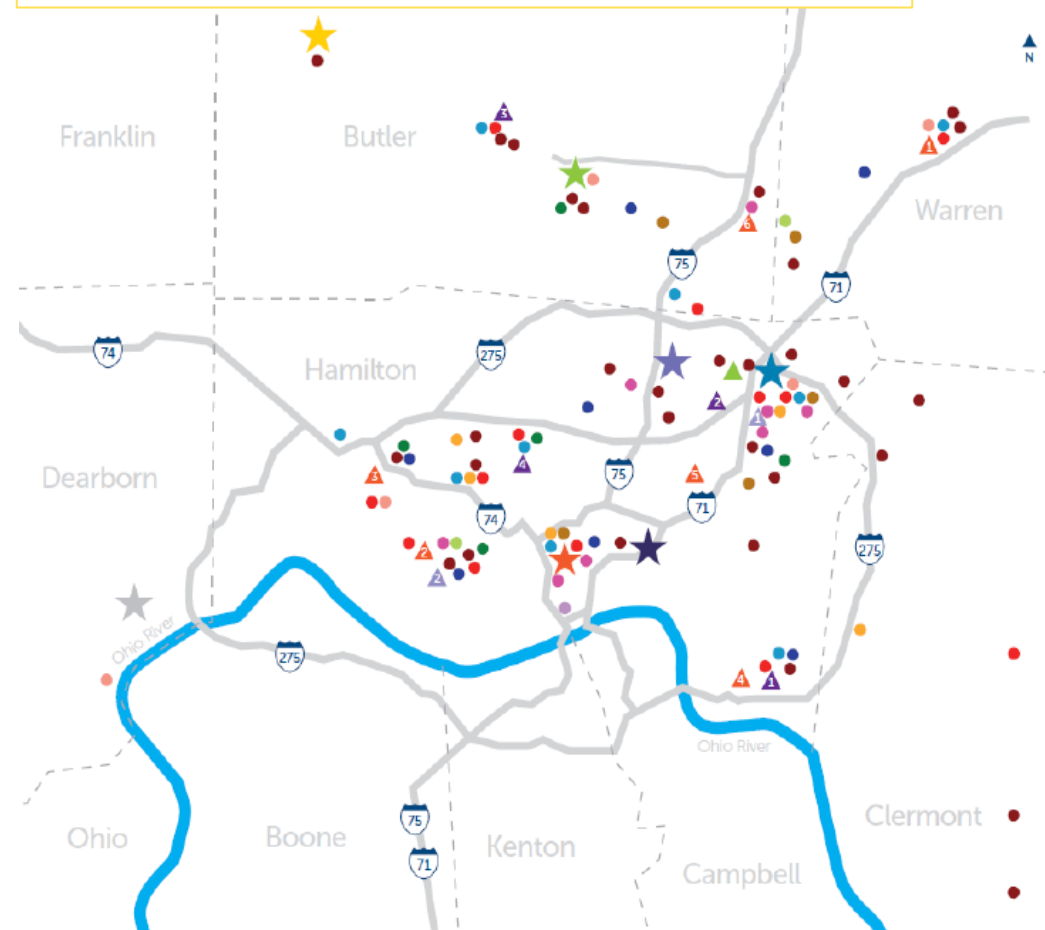

11 outpatient facilities

2 Nationally-recognized flagship hospitals

600+ Employed Physicians

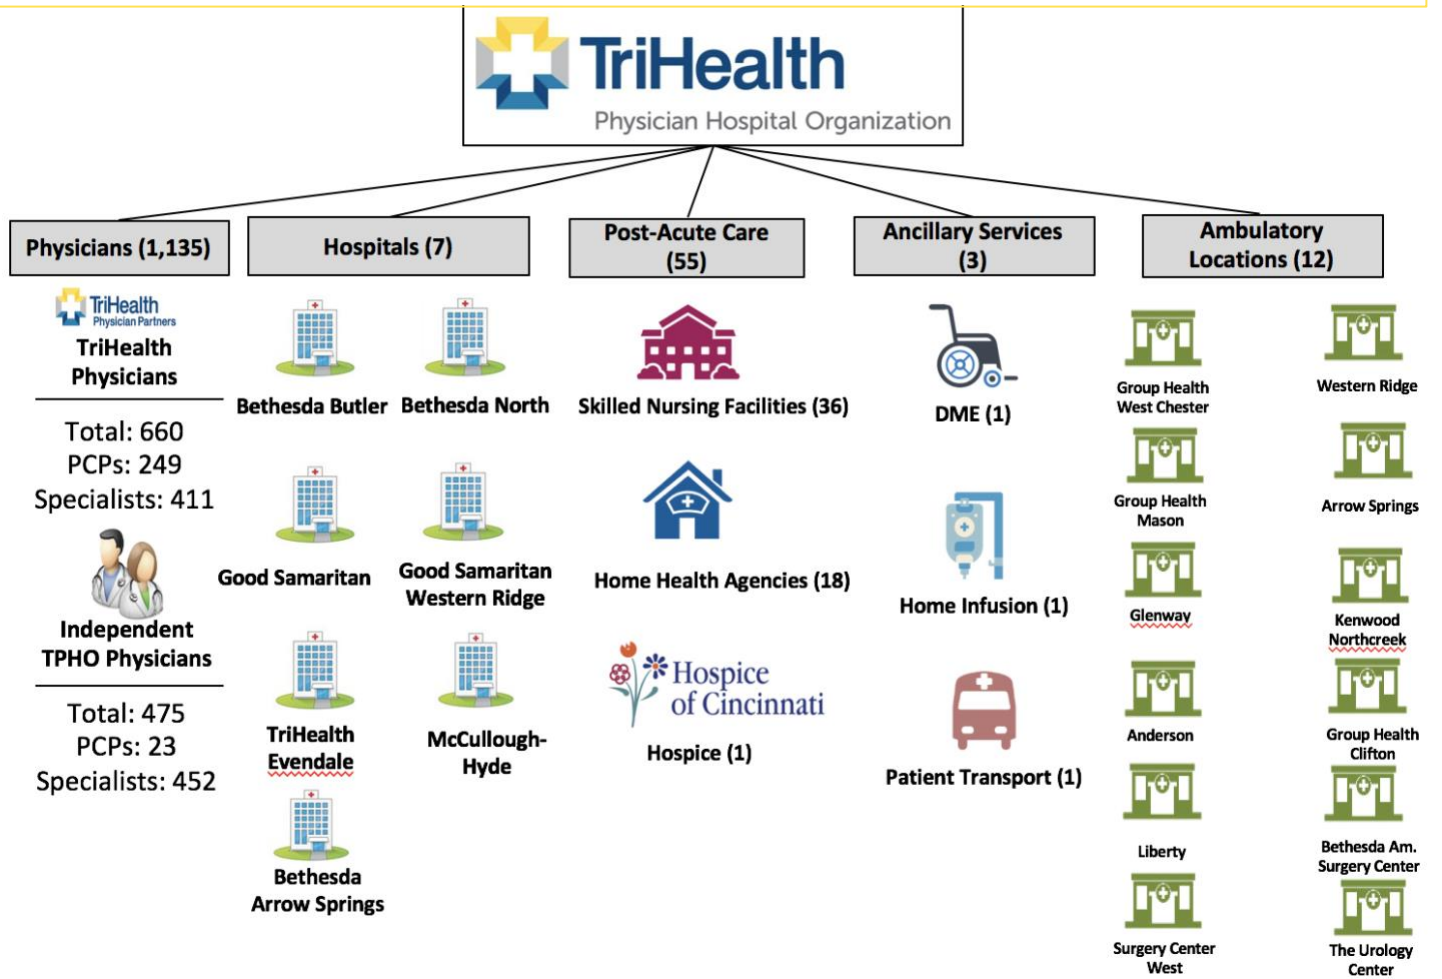

432 Aligned Independent Physicians through TPHO

33 NCQA PCMH certified PCP practices

★ Flagship Hospitals ● Outpatient Facilities ▲ Specialty Clinics

The **TPHO network** consists of more than **1,100 employed and independent providers** including primary care providers and specialists located all across Cincinnati.

Today, TPHO is the **region's largest, most complete, and best positioned** network, with a proven track record for **managing total cost of care**. We have demonstrated the ability to **bend the cost curve** when care is brought in-system, emphasizing the importance of **care coordination** on every level.

COMPREHENSIVE CONTINUUM OF CARE

The TPHO brings value to its' members through:

1. Enhanced Reimbursements through TPHO

Due to demonstrated **improvement in quality performance, utilization and lowered cost of care**, the following payors have partnered with the PHO to **offer enhanced reimbursements to TPHO physicians**.

2. Increased Compensation for Value-Based Care

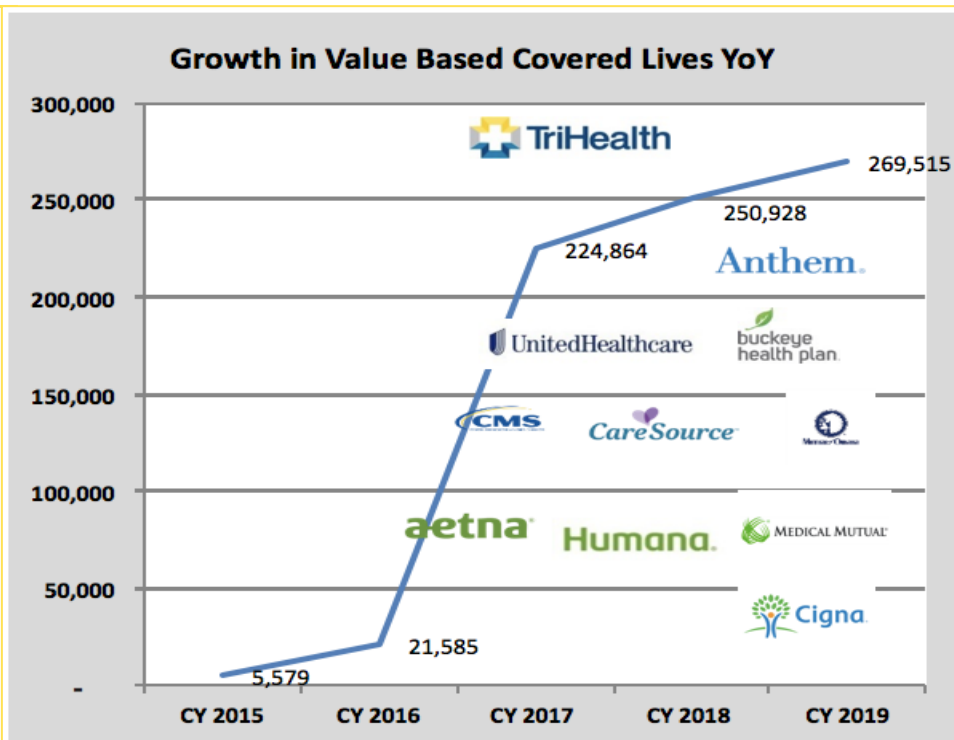

Value Highlights

TPHO 2019 Attributed Lives have increased by 15,381

2019 Humana Medicare Advantage lives have increased by 11% (more than 1000+ lives)

2019 Positive 1.64% Medicare Part B payment adjustment for MIPs Eligible Physicians

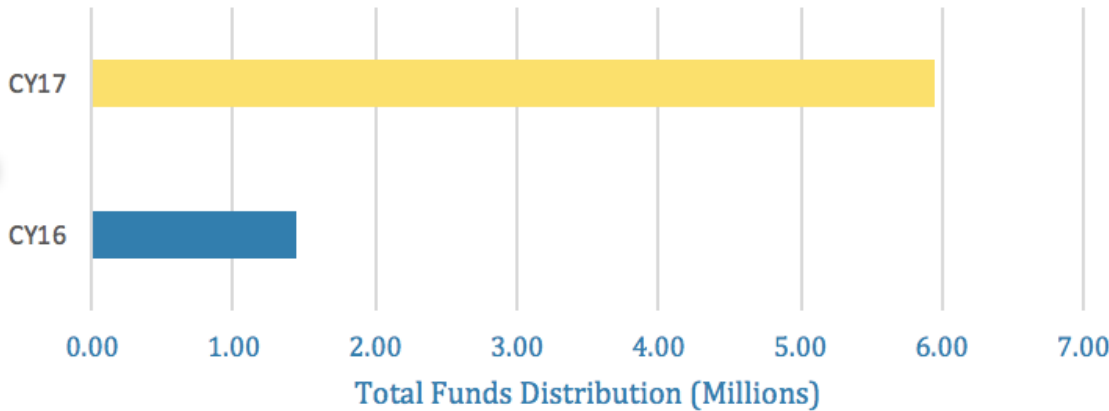

Grew from 1 insurance provider contract in 2015 to 13 in 2018.

"As an independent provider, it's really difficult to negotiate with payors. Being a part of TPHO helps level the playing field."

- TPHO Independent Primary Care Provider

PCP Funds Distribution Chart

Funds Distribution Highlights

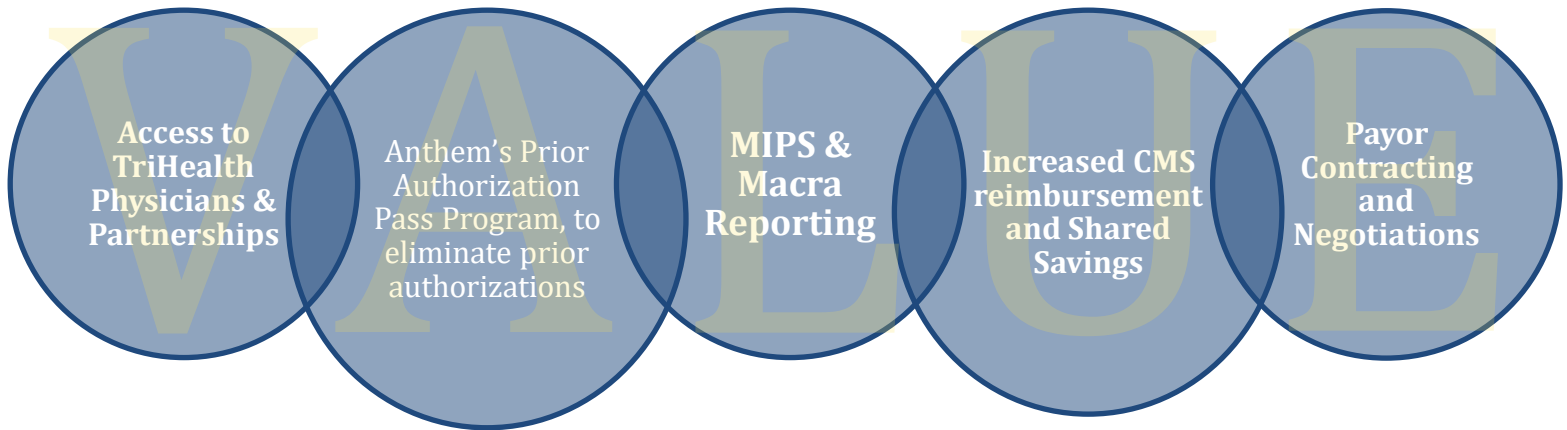

CY17 Funds Distribution is complete and all funds have been distributed!
312% growth in funds distribution in 2017

TPHO PCPs funds distribution increased from **\$1.5 million in CY16** to almost **\$6 million in CY17**

*"It is important to work with an organization that **reimburses physicians for our hard work**. More often than not, we get less money for the same or more work. Joining the TPHO has really helped us with that."*

- TPHO Independent Primary Care Provider

3. Reduced Administrative Burden
